

Shuttle Service Information Austrofoma 8 – 10 October 2019

For your visit to the Austrofoma exhibition, we provide a free shuttle service that brings you directly to the exhibition grounds. This service is available every day from 8.15am (8.10.2019 to 10.10.2019).

If you are travelling by car via the S31/Exit Forchtenstein, we ask you to use the signposted car park (P-AUSTROFOMA located directly at the motorway exit). The free shuttle service takes you directly from there to the Austrofoma Village or Circuit.

If you are travelling by car from Lower Austria via Hochwolkersdorf, you can also park your car in the signposted car park (P-AUSTROFOMA). From there, the free shuttle service will bring you to the Circuit or Austrofoma Village.

There is a shuttle service available from 11am each day from both Circuit stops (Stop 1 and Stop 2) for the journey between the Circuit and Austrofoma Village.

Return trips to the car parks start at 2pm. For the journey back to the car park in Forchtenstein, there are buses available at the Reptile Zoo car park.

The stop for the return journey to the car park in Hochwolkersdorf is located at the entrance to the Austrofoma Village (look out for the signposts on site).

- **Shuttle service outward journeys from 8.15am:** car parks to the Circuit or Austrofoma Village
- **Shuttle service Circuit – Austrofoma Village: from 11am at regular intervals**
- **Shuttle service return journeys from 2pm:** from the Circuit or Austrofoma Village to the car parks

Arrival and departure information for coach groups (coaches with 14 seats or more)

If you are part of a group that is travelling to the exhibition on your own coach, there is a checkpoint for purchasing day tickets, checking tickets and issuing helmets.

If you are arriving via the S31/Exit Forchtenstein, this is located on the grounds of the road maintenance depot.

Once you have completed the ticket checks and received your exhibition documents, your coach can drive directly to the exhibition grounds.

Coaches will be directed to a coach park in Mattersburg or Forchtenstein for the duration of your exhibition visit.

The travel operator and coach driver will receive separate information for the arrival and departure of coaches when the tickets are checked.

Our coordination team is happy to assist you on site.
